The greatest Goodyear values in 30 summers! Use your old tires for cash this week!

# PRICES YOU MAY NEVER GET AGAIN!

F there ever was a time when it paid to invest in the safety and peace of mind that goes with tough new rubber, it is right now.

You don't have to take low quality to get low price.

You can get the grandest combination of safety, comfort, long and trouble-free mileage you ever got in a tire — at prices anyone can pay.

Start that July 4th trip on stout new Goodyears - the best tires that ever came from the world's largest rubber factory.

Here's a special holiday offer! Your present tires are worth money in the purchase of these new Goodyears - you can trade in your old tubber and make new tires cost you even less today.

Don't take chances on road-worn, tread-bare tires - even if you don't plan to replace them, drive around to any dealer who sells Goodyear Tires and get a free inspection.

And before you buy any tire anywhere - be sure you ask yourself this thrifty question: Why pay good money for any second-choice tire when FIRST-CHOICE costs no more?

Things were very much doing when our resourceful artist mapped this same. It does picture what we seen when we say you can "shop at Sahio Stations just as you do as department stores." Note the gasoline depart ment. There you have a sweeping selection. From the first money can buy, to the greatest of "bargainbest ment" values. The same with the motor oil offerings. Tires? Certainly! Right here, please—the famous Atlas Tires, each with twelve-month guarantee and instant

make-good, anywhere. Then how are your headlights? Here are Mania builts to brighten the night-ways. New-just pull onto the lift if your car needs expert inbriestion. And, of course, water and air are administered free in any quantity, by agile, courteous behic men. Like-wise an accurate road map of Ohio and corroundings. 1932 edition, is yours for the asking. And so it goos ... Thousands are becoming material-shappers at Sobie Stations. You will find it on thrifty as it is convenient.
